

# Association Freight Services

Servicing all your shipping needs

We work to understand your business needs and tailor custom solutions. Our dedicated staff will meet and exceed your requirements with a 100% performance record. Few freight companies emphasize excellent value and superior customer service like we do.

Our services are available 24/7, 365 days a year via air, land and sea.

“

Your crew was a pleasure to work with compared to what I've had to deal with in the past. Thanks again for all your help and I look forward to working with you and your staff again.

“

We appreciate your assistance and commitment to providing the highest quality services for our meeting.

“

Your energy, talent, and enthusiasm leaves me wondering if this isn't the easiest job I've ever had. Thank you for your kindness and hospitality.

## Association Freight Services offers superior business to business services

Our operators maintain constant control of each shipment from the initial call for pick up, to proof-of-delivery and actual invoicing. AFS can handle any situation from last-minute/same-day shipments to coordinated major distributions.

## Domestic Shipping

AFS brings all the shipping capabilities to your fingertips, so your options for domestic shipping are limitless. We utilize every means of air, ground (FTL/LTL/exclusive-use/hot shot), and ocean transportation available to meet your service requirements.

Our air services include same day, next day, two day, 3-5 day deferred delivery and charter aviation. It does not matter if you need to ship to your next trade show or to your most valued customer, we can help!

AFS advantages include, screening facilities at every major airport and making your company a TSA "Known Shipper."

Our complete line of customized services to corporate accounts includes:

- Dedicated operation personnel
- Corporate rates for prepaid shipments
- Billing procedures as directed by the account
- Weekly or monthly reports with all pertinent data as requested
- Customized transportation programs to fit every corporation's needs

## Show Management

A successful meeting, show or exposition takes considerable time, knowledge and a keen understanding of the key ingredients. AFS excels at providing you effective shipping options, with an understanding that your shipment is a priority and demands special handling even after hours, at night or on the weekend.

AFS has been designated by show management companies worldwide as the official carrier for some of the largest and most prestigious shows in the industry due to excellent services such as on-site personnel and computer-generated air bills and shipping labels.

Whether acting as the official carrier of a major tradeshow, or coordinating and serving a private event, our mission is to provide to the exhibitor and show management a hassle-free move-in and move-out.

## International Shipping

The AFS International Division offers an array of value-added international services that successfully extends the reach of our unique brand of transportation services to the furthest points on the globe. With constant tracking and a custom-designed technology system, AFS relays precise and accurate shipment information 24 hours a day.

AFS staff will analyze your proposed schedule to assist in determining the most cost effective method of transportation. Association Freight Services also offers:

- Full documentation for your next shipment
- Assistance with CARNET applications
- CUSTOMS registration
- Custom Clearance Services
- Documentation assuring quick release from customs
- Pinpoint on-time delivery

The AFS Ocean Operation Division delivers service options and the expertise to meet all your cargo needs.

We can handle any size shipment to many destinations worldwide, including less than container load (LCL) and full load (FCL).

Whatever your international destination, our worldwide network of customs brokers has been fine-tuned over the years to include only those who can meet our high level of service.

## Exhibitors

Serving exhibitors is our specialty. Whether you are juggling different events and different sales reps, or perhaps you are a one-person show, AFS provides superior shipping services and a complete staff of shipping professionals to assist. Our superior shipping services are geared to meet the most demanding needs of any trade show itinerary and a customer service staff second to none.

You can always reach us directly, 24/7, 365 days a year. We believe in personal customer contact, on a regular basis.

AFS can meet all your standard and special needs associated with tradeshow shipment, whether it is domestically, or a part of our AFS Global Network for professionals dealing with decorators and drayage companies:

- Weekend pickups or deliveries
- Lift gates
- Exclusive use vehicle or aircraft
- Load-in and load-out schedules
- Time-critical expediting

## Display Houses

If you are in the display design and manufacturing business, shipping plays a key role in your business activities. When a client contacts you for design services, they want to know you provide the best support services possible.

Count on AFS to provide the options you need, including, but not limited to, same-day shipping, domestic and international shipping, after-hours and weekend pickup and delivery, lift gate services and white-glove services for fragile or high-value shipments.

## White Glove

At AFS, we understand the need for attention to detail for special items. The AFS White Glove service ensures that your items will be packaged and transported with care and delivered to the location to where the shipment needs to specifically go.

AFS understands that some shipments are too special to leave with just anyone. We ensure top service and care by going above and beyond.

Whatever your shipping needs, AFS is available 24/7, 365 days a year via air, land and sea
